

SAIAB SUMMER SCHOOL

2-5 December 2019 | Port Alfred, Eastern Cape

SAIAB is hosting its annual summer school for undergraduate and postgraduate students in Port Alfred, Eastern Cape from 02 – 05 December 2019. Students can expect experience working in an estuarine and marine environment, getting familiar with acoustic telemetry, baited remote underwater stereo-video and genetics methodologies and learn a little about data analysis associated with all these methods. Applications are now open and the deadline for submission is the 01 November 2019. All we need from you is a short motivation on why you would like to attend, a copy of your ID and contact details (email and phone number).
