CALL FOR GRADUATES TO JOIN THE SADSTIA INTERNSHIP PROGRAMME IN 2021

South African Deep-Sea Trawling Association (SADSTIA) is an association that represent the trawler owners and operators that catch, process and market Cape hake.

Closing date: 02 November 2020

Contract period: 12-months

Salary: Remuneration is aligned with the TETA funding model per month

Do you wish to be able to make your passion for the thrill of the ocean into a profession? This opportunity deserves your attention as a graduate of natural science, engineering & technology.

If you have a first degree or National Diploma qualification and intending to further your studies in 2021 and willing to gain valuable opportunity in career development?

We invite you to apply for the SADSTIA Internship Programme.

VISION

SADSTIA recognises the need for change in the commercial fishing industry, inter alia by opening doors for young professionals in order to create a solid foundation for implementation of the "SADSTIA Science Academy" in the long term.

MISSION

To introduce a new platform for taking commitment in critical skills development to a new level, investing in young minds and providing new perspectives on the fishing industry that will be an inspiration to postgraduates building career opportunities and contributing to their professional growth.
