

UNIVERSITY OF SEYCHELLES

VACANCIES ADVERT

Senior Lecturer in Environmental Sciences

The Department of Environmental Sciences and the *James Michel* Blue Economy Research Institute seek to appoint a suitably qualified, energetic, adaptable, collaborative and innovative individual for the position of Senior Lecturer. We are looking for someone that will contribute to the teaching and learning as well as research portfolios of a young and growing university.

Duties:

- Teaching at undergraduate and Master's level
- Update and develop course materials in the fields of Environmental Sciences, particularly Marine Biology, Ecology and Sustainability, and potentially Natural Resource Economics/Management and Climate Change
- Develop focused short courses within the Environmental Sciences for the public and government institutions
- Contribute to the Department's Social and Community Engagement initiatives
- Supervising graduate and postgraduate research projects
- Develop and formulate proposals for research funding with a focus on marine sciences and the Blue Economy

Skills requirements:

- Strong teaching and learning background
- Proven record of course development
- Proven publication record in peer-reviewed and international journals/media
- Research methods and skills in marine and tropical environments
- Ability to thrive in a dynamic and collaborative environment
- Experience working in developing countries/small island developing states will be beneficial
- Experience in Integrated Ocean Management and related topics will be beneficial
- SCUBA diving and underwater field experience will be beneficial

Qualifications:

- Senior Lecturer Position - PhD in Environmental Sciences / Natural Resources / Climate Change or Marine Biology, Ecology and sustainability
- Experience in teaching at University / Tertiary Education Level

Interested candidates are requested to visit our website www.unisey.ac.sc and <https://beri.unisey.ac.sc> for further information and can send their CV and a covering letter with copies of academic certificates to the Human Resource Manager on email: Elvina.amelie@unisey.ac.sc, cc'd to senior.hr@unisey.ac.sc and office.hr@unisey.ac.sc

For additional information please contact Dr Nuette Gordon (Nuette.gordon@unisey.ac.sc) (HOD-Department of Environmental Sciences) or Ms Kelly Hoareau (kelly@unisey.ac.sc) (Director – *James Michel* Blue Economy Research Institute)

Closing Date: 26 October 2019
