

ANNOUNCEMENT & *Call for Abstracts*

3RD ANNUAL RESEARCH CONFERENCE *Sam Nujoma Marine & Coastal Resources Research Centre*

**THEME: "MARINE AND COASTAL RESOURCES:
A SPECTRUM FOR RESEARCH OPPORTUNITIES"**

Date: 26 - 27 September 2018,

Venue: Sam Nujoma Campus Conference Room, Henties Bay

The Sam Nujoma Marine and Coastal Resources Centre (SANUMARC) is the research arm of the Sam Nujoma Campus with the mandate to conduct research on marine and coastal resources and enhance the research output for the University of Namibia (UNAM). The Department of Fisheries and Aquatic Sciences (DFAS) at the Sam Nujoma Campus is the teaching arm of the Campus, with the mandate for teaching and research. We are pleased to announce and invite all researchers, lecturers, scientists, technicians, and students involved in research to submit abstracts for work they wish to present at this conference.

We strongly believe the conference will be a platform to promote and stimulate research, while creating an enabling environment for scientific discussions and knowledge sharing. The following thematic areas will be covered:

- Marine & Coastal Environment,
- Living Aquatic Resources,
- Agriculture and Society.

CALL FOR ABSTRACTS

The Conference will feature presentations in the following formats:

- Research papers (20 minutes each)
- Research project/ proposals, including Student's projects (10 minutes each)
- Other research-related announcements (10 minutes each)
