reference Graduate Intern Opportunity
date 6 December 2021

To whom it may concern,

CapeNature has an exciting opportunity for a suitable candidate in the Conservation Operations directorate. The organisation is currently in the process of sourcing CV's of prospective graduates, who would be interested completing an 18-month internship with CapeNature's Landscape Conservation Intelligence unit, based in the CapeNature Landscape South Regional Office in Hermanus, Western Cape.

Position: Graduate Internship – Landscape Conservation Intelligence Unit.

Location: CapeNature Hermanus Office

Closing Date: 15/01/2022

Contact Person: Amore Hoogbard ahoogbaard@capenature.co.za (087 087 3052)

Post Specifications:

The specifics of this opportunity are as follows:

1. The post will be remunerated with a stipend of R10 000 a month (before deductions of UIF, PAYE), for a contract period of 18 months. No other benefits will be provided.
2. The applicant must be a suitable graduate in the field of Nature Conservation, Environmental Management, Biological Sciences or similar qualification, with preferably a relevant postgraduate qualification (very advantageous). Focus on Western Cape Ecosystems during the years of study would be advantageous.
3. The selected intern will be based within the Landscape Conservation Intelligence Unit at the Hermanus Regional Office at No 16, 17th Ave Voelklip, and report to the Landscape Conservation Intelligence Manager.
4. GIS skills are required.
5. Any possible relocation costs will be to the applicant's cost and no accommodation will be provided.
6. A valid driver's license and willingness to travel and/or sleep over, within the Western Cape (at relatively short notice), for work purposes is a prerequisite.
7. The primary purpose of this positions is to provide the selected candidate with experience, within the fields of Nature Conservation, GIS, Land Use Science, Ecological Science and also to a lesser degree in general office corporate administration.
8. The prospective applicant should be currently unemployed and/or a recent graduate with very little to no work experience and under 35yrs of age.

Please feel free to forward this email onto any such respective graduates or print it out and place it on the relevant noticeboard. Any candidates can contact **Amore Hoogbard** ahoggaard@capenature.co.za (087 087 3052), if they have any questions and if they wish to apply, they will need to forward their respective CVs to Amore with a suitable cover letter.

The post will be filled as soon as a suitable candidate has been interviewed and selected. We are seeking to employ someone who is able to start immediately, and at quite short notice. We will only accept applications up until the **15th of January 2022** (apologies for the short notice).

Many thanks for your assistance.

Kind regards,

Vicki Hudson

Landscape Conservation Intelligence Manager - South
