Volunteers required

At the Mammal Research Institute Whale Unit, we are currently looking for 2 volunteers to assist us in data processing and management.

1) an IT oriented (data curator) person to aid in the management of historical data to enable modern data storage and backup, as well as sorting and organizing historical data stored in file cabinets.

2) a volunteer to aid in basic image processing of southern right whale photo-ID data.

The applicant would have to be available asap, with a commitment of approximately 2 months. The Whale Unit offices are based in Wynberg, Cape Town. Please note this is an unpaid position but allows for gaining extensive experience.
