Thabani Mtsi

Speaker &
Communication Coach

Sabela Studios

Thabani Mtsi is a TEDx Speaker, Communication Coach, and Change Management Professional, passionate about helping people speak with confidence and clarity. He has experience as a business process engineer and a design-thinking coach; combining systems thinking with human development. He has coached over 1,500 professionals — from postdoctoral researchers to executives — and coaches on the Advanced Leadership Certificate at UCT's Graduate School of Business. Through **Sabela Studios** and a global digital community, he makes communication skills practical, accessible, and transformative.
